being by ourselves. It has all been so wonderful and I can never thank you enough for being so sweet to me. All this I have mentioned has been grand, but the thing that stands out above everything is that never, this year, have we had a real fuss—we have never broken up. I am really proud of that. Although I did do one mean thing, one of my mistakes, we have come through it—all because of your grand understanding and because you control your temper so well. This is one of the nicest things about your grand personality. You certainly deserve it all and I know you'll have it. Stay just as you are because that's the way I love you—best.

Darling,

How can I begin writing in  
your annual, or begin to try to  
tell you how very much you  
mean to me. This is the last time  
we will write in each other's annu-  
als but the happiest time because  
we have found each other. This  
year. She will not be going back  
to S.H.S., which has been the happi-  
est days of our lives, next year but  
we will still feel the same way  
about each other even though we  
will be apart. We have had so  
much fun this year; our senior  
year has been perfect for me be-  
cause of you. I know that in  
the future there's more in store  
for us. I'll never forget double-  
dating, getting in trouble, parties,  
picnics, dances, trips, and just

The Student Participation Committee  
Stephenville High School  
Stephenville, Texas

In preparing this edition of the *Yellow Jacket*, the staff has endeavored to leave within the covers of this book a record of the activities that have made 1944-1945 a pleasant and interesting year for the students of Stephenville High School. May these memories in later years be refreshed by glancing through these pages.

Hi! Buster,

Here's to a swell guy who has really made a record for himself up here at S. H. S. You've had plenty of breaks and you'll have a lot more because you deserve them. This year up here with you has really been grand. My only regret is that you won't be here next year, but you have to go on so you will have all the happiness and success I wish for you.

Dear Buster,  
We've known each other just about as long as I have lived here and it really been grand. You have that leadership ability and splendid personality that has really made you the outstanding student of high school. Remember the fun we had double-dating when we were both in Gr. 7 high school. Let's remember how swell you have been not only to me but to everyone you know in contact with. May your future life hold in store for you the very best because you certainly are deserving of the best - hope you like H. & M. Remembering a mighty small person,  
E. Schell

Because of her fifteen years of untiring devotion to Stephenville High School, her love and interest in the students not only during the association in school but also throughout life, her willingness to cooperate at all times, and her happy attitude toward all problems, the staff gratefully dedicates this, the ninth volume of the *Yellow Jacket* to Miss Hicks.

# ADMINISTRATION

## TO THE STUDENTS OF STEPHENVILLE HIGH SCHOOL

It is the glorious privilege of our generation to be the defender and savior of human freedom. Upon us the full responsibility has been laid to protect not only our own, but the generations that lie ahead from tyranny and slavery. It is our responsibility to defeat completely the enemies of freedom, the enemies of progress. This we must do; this we will do. This is the challenge that inspires the youth of today to study seriously the problems of the world and to prepare themselves to take their proper places in the world in order that their influence may be felt in the solution of these universal questions.

—IVAN P. OLIVER.

## TO THE SENIOR CLASS OF 1945

You are to be commended for having completed your high school work. Many of you will go to college; others will go to technical or commercial schools and still others will go to work. Whatever you do I feel sure that you will feel that you have been benefited by having graduated from Stephenville High School.

Look about you and see what our graduates are doing. We are proud of them and you. You too can and will accomplish great things for yourselves and others.

*I couldn't even write!*

As old 1945 rolls around, we seniors are getting the jitters. When we graduate in the spring, we will reluctantly leave the school that has meant more to us than mere books and assignments. Associations with teachers and friends whom we have come to love, a glimpse of the world's lessons and opportunities, fun and happiness, mixed in with a bit of disappointment and heartache, all tossed together have made up three glorious years in our lives.

As class activities we have participated in an annual play each year. The individual members of our class have been active in all athletics, clubs, and general deviltry.

Our class membership has been lessened by several going into the service: O. T. Bacon, Clarence Chapman, Bobby Dale, Hardy Oakes, Elwood White, Raymond Ewers, Rex Owens, Ralph Roberts, Travis Shelby, A. T. Benton, Wayne Garner, and Rayford Lay.

The class of 1946 began making history in September of 1943 under the direction of Mrs. Porter. The important events in our sophomore year were a part in two bond selling contests, a round table discussion of "Our Town" given in chapel, and a three act comedy play.

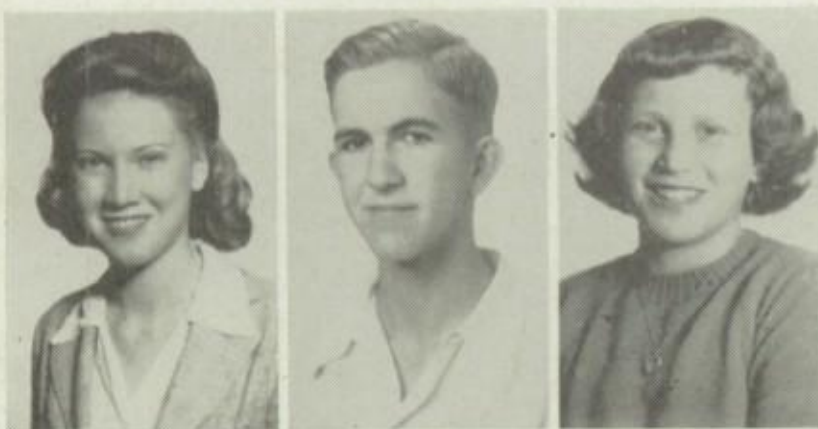

There were some changes as the second chapter of our history began. The class increased from 73 to 88 and our new sponsor was Mrs. Isbell. Class election and ordering rings were the highlights of the first term. A three act mystery play, a class picnic and the ever important junior and senior banquet were given the second term.

Our boys who started their record in athletics as sophomores added much to it this year; many others joined them.

We all feel that our last year at Stephenville High School will be as good if not much better than the previous two years have been.

During September seventy-three happy and noisy sophomores enrolled in Stephenville High School. Soon the strangeness of the school left, and they found their place and took great interest in it.

The sophomores have been active in athletics this year. Bob Alexander lettered in football, which is an unusual honor for a sophomore. A number came out for basketball and track.

The sophomores have presented a three act comedy, "Criss Cross," under the direction of Mrs. Bailes. They have participated in the programs given for the school. They were always at the pep meetings and football games helping the Jackets.

They have enjoyed the first year in S. H. S. and are looking forward to making the junior and senior years both educational and enjoyable.

## SEASON REVIEW

The Jackets, working with Mr. Hassler, the new coach, and with several new players, had a successful season this year. After winning a 19-0 game with Hamilton, they were even more determined to have a good standing in this district. The second game with the Northside Steers of Fort Worth was hard fought. The opponents, who were runners-up for the 7AA title, scored in the second period which put them ahead 7-0 at the end of the game. The following week the Jackets battled Coleman, at a non-conference eleven, to a 13-13 tie.

Coach Hassler came to our school not only to make winning teams out of the Jackets who had few boys experienced in games, but he came also to build boys into men who could play well the game of life. His grand work was the result of determination and the fine handling of his students. He has done a good job this year and will do so in the future.

WAYNE LANCASTER  
Captain

The first district game with Cisco was a hard battle. Luck was with the Loboes who scored on the kick-off. The Jackets rallied and late in the first quarter drove eighty yards to tally. Then failing to make the try for the extra point they were defeated 7-6.

In the next game with Weatherford, the Jackets were stricken with injuries and were defeated 21-0. Failing to recover from the injuries, the blue and gold succumbed to Breckenridge, the district champs, 73-0.

From Dublin, their old rivals, the Jackets who now operated with a new formation won to the score 26-0. Gaining new confidence, they went to Mineral Wells and returned with a 14-0 victory, and to make three victories in a row, the Ranger Bulldogs were defeated 6-0 on Hays Field and in rain and cold.

# FOOTBALL

WAYNE LANCASTER  
QUARTERBACK

"Looch" was chosen captain of the team at the beginning of the season. He put forth his full effort and proved himself more than worthy of this position. He proved to be one of the speediest backs and broken-field runners of the district. He led the team on through thick and thin, and his spirit never let down.

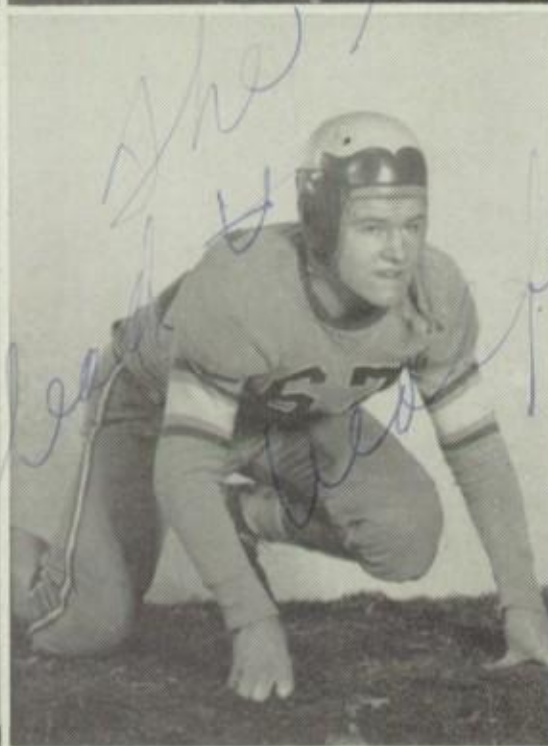

BILLY WILLINGHAM  
FULLBACK

"Pup" was a constant hustler for the Jack-ets. Occupying the position of fullback, he made great gains on offense and kept the op-ponent from making gains. "Pup" was the team's co-captain.

ROBERT WHITE  
FULLBACK

"Duck" will be remembered by the many opposing teams which felt the thrust of his hard drives in quick line plunges. He was a constant worker at his fullback position.

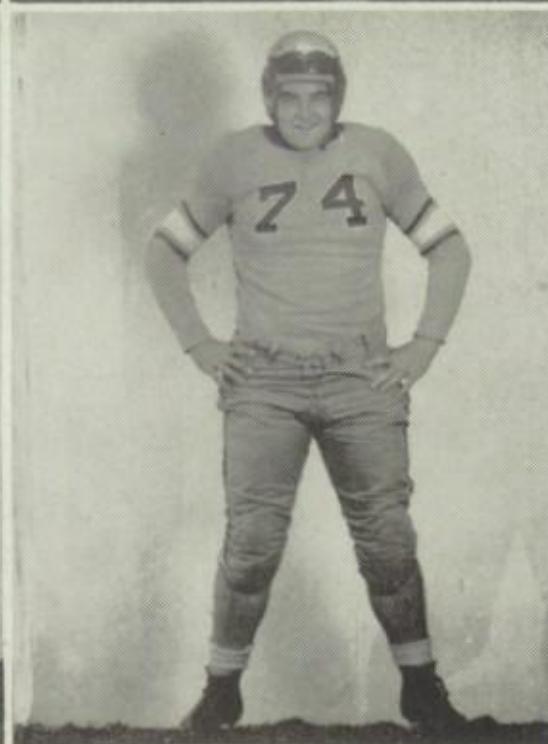

DANNY WOLFE  
GUARD

"Wolfe," one of the hardest hitting and most determined guards in the district, was elected to a position on the All-District team and won honorable mention on the All-State team.

GERALD WYATT  
TACKLE

"Wyatt" kept the pigskin for the Jackets most of the time with the great setbacks which he gave the opponents. "Wyatt" proved to be a swell team tackle.

O. T. BACON  
TACKLE

"Thirsty" always managed to get rougher than his opponent which enabled him to open up a hole in the line for the ball carrier. He was a hustling tackle who never let the Jackets down.

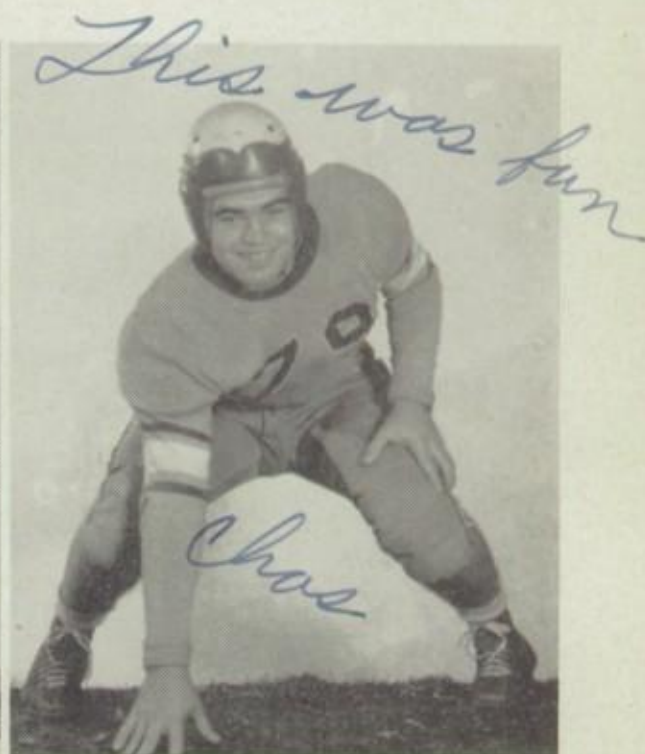

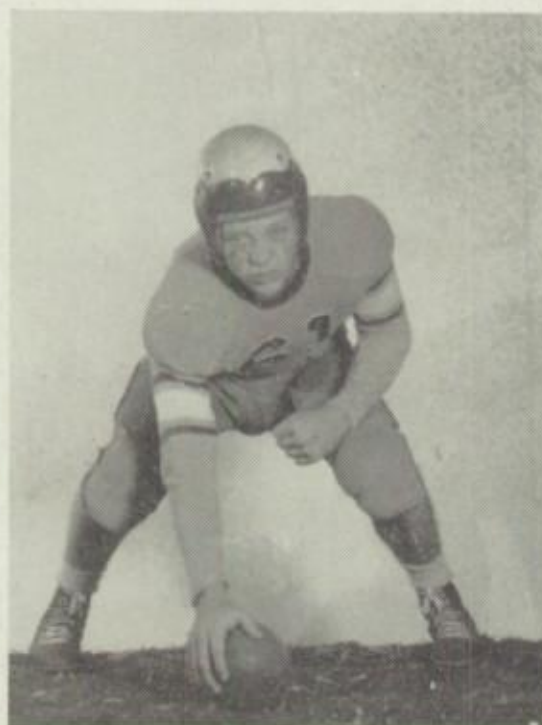

# FOOTBALL

**BOB ALEXANDER**  
CENTER

"Colonel Bob," playing his first year at center, proved to have what it takes to make a real player. He never gave up, and his aid helped his team mates make the scores.

**CHARLES HENSARLING**  
GUARD

"Harvey" seemed to get a great part of the tackles and was good in other factors of defense. He was also a fast worker on offense at his guard position.

**KOMA WATSON**  
GUARD

"Koma" was always ready to fight for the Jackets. His quick submarine charges and active recoveries left the opponent bewildered.

**ROBERT JONES**  
END

"Jones," a pass-snaring and hard-hitting left end, well earned his first letter this year by helping make possible Jacket victories.

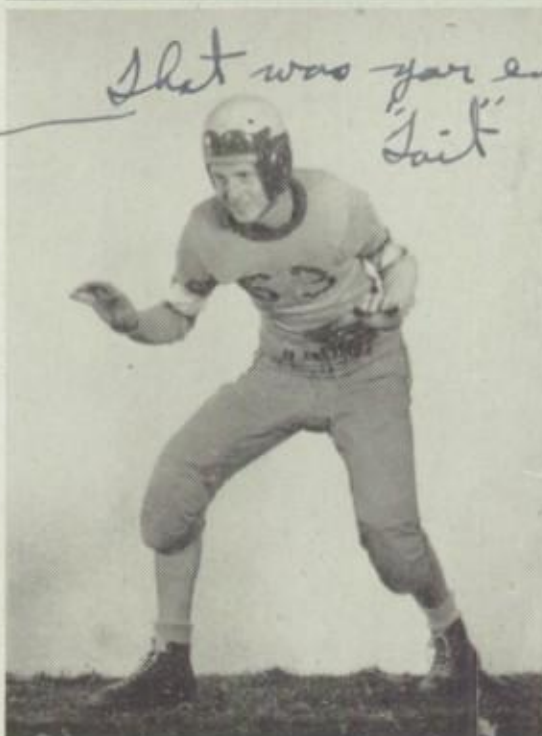

**BILLY MORING**  
END

"Tait," an active end on the Jacket team, was rarely circled by the opponent ball carrier. He was a hard hitter and saved the Jackets many hardships.

**ARLIS HARRISON**  
TACKLE

"Tubba" never missed a practice because he was determined to earn a position on the team. The Jackets could not have done without his experience and ability.

# FOOTBALL

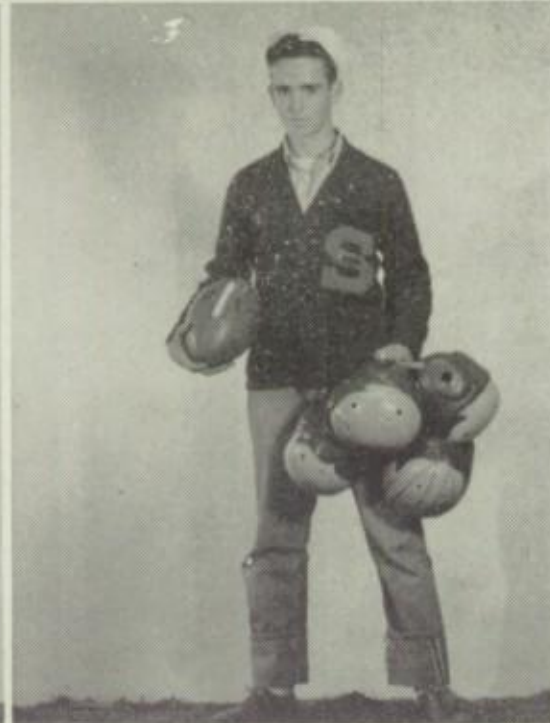

**HAROLD T. BAXTER**  
WING BACK

"Baxter," playing in the backfield on offense and playing on defense, proved to have great blocking and tackling ability. He was a hard fighter for the blue and gold.

**JOHNNY DUNN**  
WING BACK

"Zero" could be depended on to do his part in working for a Jacket victory. His punting and line drives proved to be effective. He rotated from right end to backfield position.

**W. C. SMITH**  
WING BACK

"Judge," a small but effective Yellow Jacket, gained much for the Jackets as a result of his accurate passing and punting, along with his good blocking ability.

**BILLY WAYNE PARNELL**  
MANAGER

"Thank You," managing the Jackets for two years, was always an efficient worker for the boys who will never forget him.

**FRANKLIN CONGER**  
GUARD

"Conger," a dependable guard, was always stopping the ball carrier at any place in the line. His determined ability will encourage others.

**HOMER SPEER**  
GUARD

"Hooskow" always managed to do his part in helping the Jackets. He was a hard-hitting guard who never failed.

**JOHN SMITH**  
END

"Bosco" with an injured knee managed to stay with the Jackets, which was one of the factors of the Jackets' spirit. He was a great success in holding down his end position.

Team composed of Danny Wolfe, Harold Baxter,  
Franklin Conger, and Bobby Jack Stigler.

Since the Annual went to press before the regional meet was held, we could not have a list of the participants. The necessity of the early sending of the material to press also prevents us from being able to have the pictures of the 1945 Track Lettermen included with the S Association.

## TO THE BLUE AND THE GOLD

—Grace Chandler Colwick

Here's a toast to Stephenville High,  
We her praises ever sing,  
Stand and cheer her name once again;  
Loudly may the echoes ring.

Fill a glass for happy times,  
Sons and daughters ever true,  
Always holding deep in loyal hearts  
The spirit of the Gold and Blue.

To the Blue—to the Gold—  
To our school and its glorious history;  
To our faith—to our zeal—  
To the days we remember so joyfully.

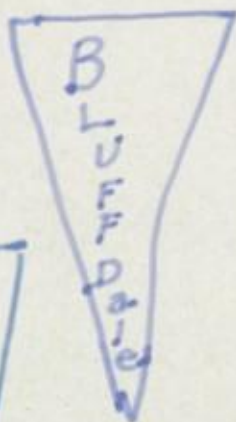

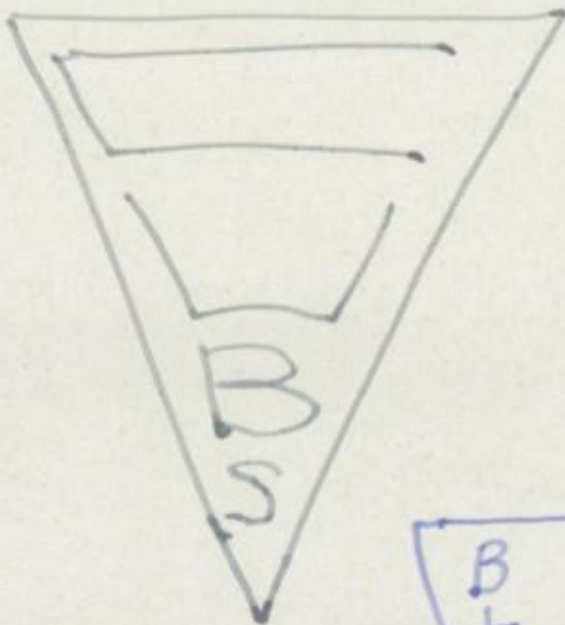

To the Blue—to the Gold—  
May we carry our banner to victory;  
To our hopes—to our dreams—  
To the world we shall make ours some day.

Here's to all our glorious past,  
Here's to our victories won—  
Here's to glorious future years,  
For our fame has just begun.

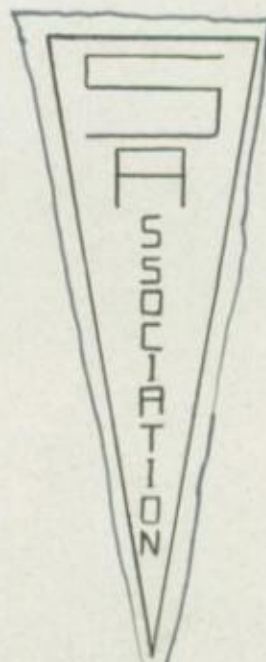

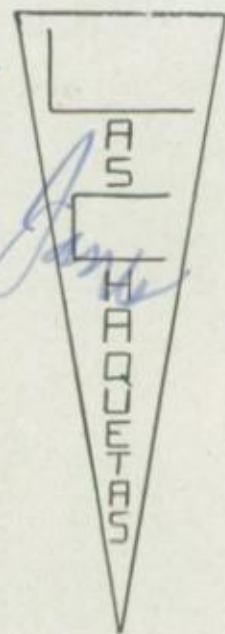

Fill a glass for happy times,  
Sons and daughters ever true,  
Always holding deep in loyal hearts  
The Spirit of the Gold and Blue.

The purpose of the Student Participation Committee is to plan student activities and to create a closer relationship between the students and the faculty. Two pupils, with grades averaging 80 or above, were chosen from each home room to serve on this committee.

The organization has sponsored three lyceum programs and a war stamp booth. Harold Baxter, Charles Hensarling, and Billy Fred Stafford were chosen to raise and lower the flag each day. Billy Willingham was chosen as Fire Chief, and Jean Mason and Bob Alexander were chosen as song-leaders. The annual staff, paper staff, and Who's Who were elected by the committee. The first edition of the *Yellow Jacket* was published in 1937. Eight volumes have previously been published, and we are now presenting the ninth volume of the *Yellow Jacket*.

In October the Student Participation Committee elected an editor, assistant editor, and business manager. These three ascertained that in spite of war-time conditions a yearbook could be published. Then the remaining members of the staff were chosen.

Work was immediately begun so that we might be able to have the book we are now presenting to you.

In order to secure enough funds for the production of this yearbook, the staff collected advertisements from business establishments and presented a Christmas program December 19 in which the school favorites were presented.

We, the staff, wish to express our appreciation to Miss Eoff, Mrs. Smith, and Miss Hicks, our sponsors, for their patience, kindness, and wise supervision throughout all efforts put forth in making possible this, the ninth publication of the *Yellow Jacket*.

Las Chaquetas, a club composed of the two Spanish classes, was organized in 1937 to develop an understanding of Spanish manners, customs, and characteristics. The Spanish Culb has been active in the recent years; they have played and worked the Spanish way.

The activities for this school year have been successful and thoroughly enjoyable. An initiation party was given for the benefit of the new members. All members enjoyed a weiner roast at the Beck Ranch. The annual banquet was beautiful with typical Mexican decorations, favors, and place cards from Mexico. Other entertainments and study courses were planned to create an interest in understanding of the Spanish mode of living.

The purpose of this club is to develop organized interest in homemaking, to foster high ideals of and an appreciation for home life, to learn more about changes which have taken place in our community, to encourage recreational activities for students in homemaking education, to stimulate interest in the wise use of leisure time and in acquiring broad experiences, and to promote mentally and physically healthy girls and women.

The Future Homemakers Club has been organized in Stephenville High School since home economics was introduced in this curriculum. It was not until recent years, however, that the club obtained a state charter.

Several entertainments were held by this organization; the most interesting one was a Tacky Party which was given for the members of the F. F. A. In return the Club was given a Hot Dog Supper. The girls have helped with all the banquets that have been given.

Dear Baxter-

I can never forget all the good times we have all had together. I think our bunch has been so close together - of course, we have always teased but that was also part of it all. Always remembered all of those grand school parties and then our dances. It has all been wonderful and I hope you will never forget me. Good luck and all the success in the world. Just another friend,  
Kate

Dear Harold I,  
Naturally I do not  
know you well but  
I do like you. I liked  
you thoroughly the  
first time I saw you.

(Like at first sight I  
guess). If by I liked you  
right at first I don't know,  
but after seeing you here in  
high school I can truthfully  
say I like your disposition  
You seem to have a serene  
air about you that is very  
commendable. Serene people  
usually have happiness through-  
out life.

I'd better stop as I'll take up  
too much space.

your friend,  
Margaret Evans
